Metalclad 45A DP switches

Cooker control units enable isolation of the unit so that maintenance and repairs can be carried out separately. The unit can be switched off, preventing the appliance from being turned on accidentally - for example whilst cleaning. Control two or more cooking appliances in the same room, providing rating is sufficient.

Model No.	M8331N	M8332N
Description	45A 1G DP switch (single size)	45A 2G DP switch (double size)
Dimensions (mm)	82 (width) x 82 (height) x 45 (projection)	82 (width) x 142 (height) x 45 (projection)
