

MAINTAINED LED EMERGENCY EXIT BOX SIGN

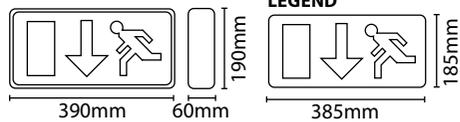

Low energy alternative to standard emergency exit signs.

- This luminaire contains built-in LED lamps and the lamps cannot be changed in the luminaire
- Steel construction
- Polycarbonate down arrow legend
- 3 hour maintained mode as standard which can also be configured for non maintained operation
- Facility for remote switching
- Interchangeable down arrow exit legend included
- Diffuser on base: for added downward illumination of exit path
- Long life energy efficient LED light source eliminates lamp replacement cycle without compromising panel visibility distance
- Full range of alternative legend directional panels available
- LED charge light and battery test button
