

# DOUBLE ENDED TUBULAR

Crompton 'DET' lamps are widely used for concealed lighting such as under shelves and clear types are often used in picture lighting. Over mirror or bed head applications prefer the opal finish for softer, reduced glare effect.

- 1000 hour life
- Opal or Clear finish
- 221mm or 284mm lamp lengths
- SCC-S15 cap
- Internally fused for safety

\* See page 46 for CFL low energy version
