COLOUR HELIX

DESCRIPTION

A range of lamps using coloured glass and coloured phosphor to give architectural hues and colouring for display and accent lighting. 240V coloured helix lamps are available in 18W and 30W. Great for seasonal and display applications with all the energy saving and cost savings associated with compact fluorescent lamps.

TECHNICAL SPECIFICATION

PRODUCT CODE	POWER (W)	VOLTAGE (V)	CAP TYPE	COLOUR	OUTER BOX WEIGHT (kg)	OUTER BOX DIMENSIONS (cm)	LAMP LENGTH (mm)	LAMP WIDTH (mm)
