

3x3W Power LED Down Light

KDL313LED/830-WHT, KDL313LED/830-SLV
KDL313LED/865-WHT, KDL313LED/865-SLV

Product Code Format:

KDL LED / -
 Number of LEDs Watt of Each LED Colour Temperature Finishing
 Fitting Type

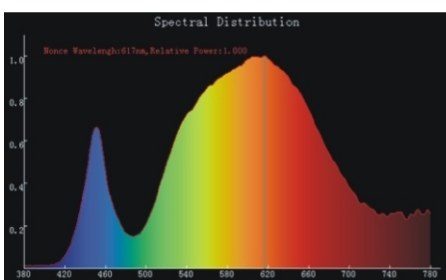

Features:

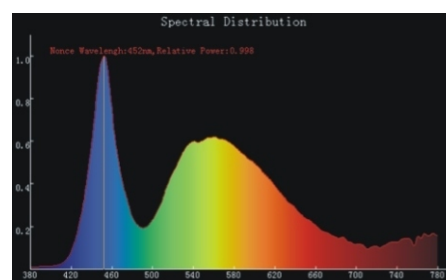

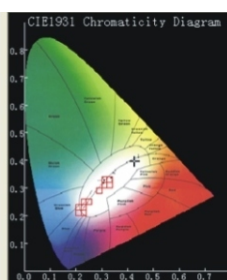

- High lumen output, true replacement of the 50W halogen Downlight
- Long Life of 30,000 hours, 20 times longer than traditional halogen lamps
- Compact size, with cutout of only 65mm, it directly replaces the existing halogen fitting
- Popular finishing of White and Satin Silver
- Choices of warm white and daylight color temperature
- 1 year manufacturer guarantee available

Specification:

Input Voltage	100-240V AC/50/60Hz		
Power	3x3W (Total 3.9W inc. Driver)		
Output Current	DC 700mA		
Lumen	390lm		
Beam Angle	30° (15° 20° 25° are also available upon request)		
Colour	Warm White (3000K), Day Light (6500K)		
LED Chip	Edison (Other LED Brand, CREE, Luxeon, SSC are also available upon request)		
Average Life	30,000h	Finishing	White, Satin Silver
Ambient Temperature	-20 to +50 Degree Celsius	Qty per Box	1
Cut out	65mm	Qty per Carton	36
Rim	77mm	Carton Gross Weight	23.05kg
Depth	72mm/101mm(With Driver)	Carton Net Weight	11.52kg

CCT: 3000K

CCT: 6000K
